The Honorable Allen Dulles  
Director  
Central Intelligence Agency  
Washington, D. C.

Dear Mr. Dulles:

Last June our Press published a small book by D. W. Brogan entitled AMERICA IN THE MODERN WORLD. Mr. Brogan is both a wise and a friendly critic of this country. While his book has had a good press and considerable public acclaim already, we don't believe it is as widely known as it ought to be. We are therefore sending you a copy, under separate cover, with our compliments in the hope that you will find it interesting reading.

Cordially yours,

William Sloan
